Dear,

In accordance with the requirements established for this extraordinary period of sanitary emergency in which we find ourselves by COVID-19 and due to the fact that the on-site audits could not be completed, the methodology has been applied for evaluation as a Certified Organization defined in IAF MD4: 2018 IAF Mandatory Document for the use of Information and Communication Technology (ICT) for auditing / assessment purposes

As a result of the evaluation carried out by Bureau Veritas as an accredited Certification Body, and the instructions defined by the IAF, following document IAF ID 3 2011 Management of Extraordinary Events or Circumstances for auditing / assessment purposes, the Certificate of your Organization with nº **ES094816-1**, will be extended for a period of up to 6 months to apply from its expiration date and the validity of your extended certificate is as follows: **22/11/2020**

This validity is subject to the satisfactory result of the pending certification renewal activities (on-site recertification audit, closure of non-conformities (if any) and certification decision) and always before the end of the extended period and indicated above.

We are at your disposal through the Customer Portal or your usual contact.

A cordial greeting,

Bureau Veritas Certification
